They shop around and get the best deals for my home owners and auto insurance every year. They handle all the paper work whenever possible... a no-brainer working with these guys. Monica is great! ...couldn't be simpler.

I have been with Carnahan Insurance (I know them as Insurance One) for many years and even after moving from San Antonio to Rockport I've remained their client. They have always been helpful anytime I've asked them to 'shop' my insurance plans. My agent is always responsive and professional.

I appreciated the extra effort given in providing me the information needed to get started. Aside from the information, I appreciated the on-going conversation back and forth as I tried to understand so that I could make the best decision for me. Thank you for taking the time to help me.

My family has been with the Carnahans since the early eighties (I was 10). When I got married in 1997 and bought my first car insurance and renter insurance, this is where I come. Now my son just turned 16 y/o, and we have a new member added to our policy. Very easy to work with and get what you need done. HIGHLY Recommended!

I highly recommend Jerry Carnahan's Agency to any business owner that needs specialized coverage. Whenever we sat down to go over policies, Jerry does not beat around the bush and he makes sure you get the coverage that best suits your business needs, not his. A+++++
